

# CAMELBACK INN

A JW MARRIOTT RESORT & SPA

### BLT Steak

As the name Bistro Laurent Tourondel suggests, Chef Tourondel presents his adaptation of the Modern American Steakhouse, elevating it with his signature style and finesse. BLT Steak integrates traditional elements of a cozy French Bistro with those of a stylish, urban environment. Unwind in the bar, in the intimate dining room, or in the outdoor courtyard with spectacular sunset views of Camelback Mountain.

### Rita's Kitchen

A casual, contemporary Southwestern flair reigns throughout Rita's Kitchen. The menu features home-style regional cuisine featuring favorites from north and south of the border, using locally grown, seasonal and fresh ingredients. Enjoy an authentic adobe setting or patio dining in the shade of a sprawling Ironwood tree.

### R Bar

R Bar features a variety of hand-crafted cocktails, house-made infusions and the Inn's signature margaritas. A full menu of appetizers, small plates, and full entrees perfectly compliment this high energy lounge and patio. Located in the Southwestern inspired Lodge, the R Bar is the perfect place for meeting new people or gathering with old friends.
